

# YOUR PASSPORT TO SUMMER FUN

**OUR STAFF**  
Our staff are role models with a passion for camp and working with children. All staff members go through a rigorous interview and observation process as well as reference and background checks before being offered employment. They then complete a minimum of 30 hours of pre-camp training led by our experienced professional team.

**NO ONE TURNED AWAY**  
The YMCA does not turn away anyone due to an inability to pay. If you or a family that you know needs financial assistance to participate in YMCA membership or programs, please talk with our staff.

**BELONGING ACHIEVEMENT RELATIONSHIPS**  
Three simple words that can help change a child's future. At Y camps, we work with every child to ensure they grow their skills and build friendships with their counselors and fellow campers in a safe and welcoming environment.

**HEALTH & SAFETY**  
The health and safety of the children in our care is our top priority. The YMCA is committed to providing a safe and fun experience for your children, while following guidance from the CDC, Erie County Department of Health, and New York State Office of Child and Family Services.
