

THANK YOU FOR TAKING PART IN THE 126TH ANNUAL YMCA TURKEY TROT!

As a virtual Turkey Trotter, you have the option of running your virtual 8K Turkey Trot any day or time starting Thanksgiving Day (Thursday, November 25) through Sunday, November 28, 2021. You can even break up the distance as needed over the four days. Below are a few items you can access to add to your virtual race experience:

VIRTUAL RACE BIB

Upon registering for the **virtual** event, you were auto-assigned a number which you can print and proudly wear while running or walking your 8K. You can access your race bib in one of two ways:

1. Go to your profile on RunSignUp.com, click the 126th YMCA Turkey Trot and then click "view **virtual bib**". Click the print icon to download and print your virtual bib.
