

### Health

Camp health centers are located centrally at each camp location and are prepared to handle everyday health and wellness. A designated health officer is in residence 24-hours a day, and is prepared to administer first aid, as well as prescribed medications. An updated health information form and immunization record will need to be completed in advance of camp attendance. Our camps are certified to operate by the New York State Department of Health, and are regularly inspected.

### Features

Both overnight camps have an onsite dining hall, health center, small rustic cabins with lights, communal restrooms, separate bath house, outdoor swimming pool, high and low ropes course, climbing wall, bounce pillow, and archery area.

### Meals & Menu

Meals are prepared and served daily in our dining hall by experienced kitchen staff. Menus include items that are enjoyed by children and follow federal "My Plate" guidelines that include a variety of fruits, vegetables, grains, and protein. Special dietary needs can be accommodated with full cereal/salad bar and peanut-free options.

### CAMP KENAN

At Camp Kenan, camper cabins, buildings, and activities overlook beautiful Lake Ontario along 50 acres of flat, open and wooded grounds. Campers enjoy walks along the rocky beach and kayaking when the waves are calm. It is perfect for both the first time and experienced camper who enjoys the traditional camp experience in a small community atmosphere.

To register - Call (716) 434-8887 or visit [CampKenan.com](http://CampKenan.com)

Location - Camp Kenan is located near Barker, NY and is about 30 minutes north east of Lockport.  
8571 Lower Lake Rd.  
Barker, NY 14012

# FIND YOUR SENSE OF WONDER. FIND YOUR Y. YMCA OVERNIGHT CAMPS

## WELCOME

to YMCA Camp Kenan and Camp Weona, where for nearly 100 years, these two camps have been a home away from home for thousands of youth – giving children and teens the opportunity to disconnect, build relationships, and have fun.

We strive to develop a community where all of our campers feel safe, accepted, and free to try new challenges in the outdoors. Our hope is that each new camper leaves with a new friend, a new skill, and the confidence and caring to make the world a better place. See you this summer!

Jennifer Coe  
Executive Director  
Camp Kenan & Camp Weona

## Camp Life

Camp is a special opportunity for youth to gain self confidence through a combination of small and large group encounters. As a cabin group, campers rotate through a schedule of traditional camp activities together, make an individual choice for a Skills Track, and join the whole camp for large group games, campfires, and themed fun.

## Types of Camps

### First Experience Camp (3 Night, 4 Day)

For Ages: 5-8

For younger campers who want a taste of camp life – this is the session for you! Enjoy swimming, archery, arts & crafts, campfire s'mores, and time outdoors. Three-night sessions run Sunday-Wednesday or Wednesday-Saturday. A day camp "add-on" option is available for Camp Kenan only.

### Traditional Camp (Sun-Sat)

For Ages: 7-15

Enjoy the full experience that camp has to offer with a menu full of traditional camp activities – archery, crafts, outdoor nature & survival, team building and adventure, active songs and games, and time around the campfire with friends. Each week includes all the traditional camp activities with an added weekly theme. One-week sessions, Sunday to Saturday.

### Leader in Training (2 Weeks)

For Ages: 15 by 7/1

For teens interested in developing skills in leadership, communication, team building, problem solving, and conflict resolution. Our leaders learn in the outdoors, around a campfire, playing games, taking challenges, and using their skills to aid and mentor younger campers. Participants must be available for both weeks of the program and remain at camp during the weekend stayover. An application and pre-session orientation is required.

### Counselor in Training (3 Weeks)

For Ages: 16 by 7/1

For teens interested in learning & practicing skills necessary to become a successful and responsible camp counselor through skills sessions and direct work with younger campers. Participants must be available for all three weeks and remain at camp during the weekend stayover of their program. Because of the important work we do with youth at camp, CITs must take their roles as mentors seriously. Entry into the CIT program requires an application, interview and selection. A pre-session orientation is also required.

### Weekender Program

Perfect for our seasoned campers registering for two consecutive weeks of traditional camp. Stretch your one week sessions into an extended stay over Saturday-Sunday. Available for the sessions below.

Camp Kenan July 9-10  
Camp Weona August 6-7

## Cabin Groups

Small groups of 8-12 campers of a similar age live together with two cabin leaders and participate in a rotation of daily activities together. Campers may make a mutual request for one bunkmate of the same age.

## Access for All

As a non-profit organization, the YMCA is committed to providing equitable opportunities for people of all income levels. If you or someone you know is interested in financial assistance for summer camp, please talk with our staff or visit [YMCABN.org/access-all](http://YMCABN.org/access-all)

## Communication

Camp is a "tech-free" zone, which means that cell phones, iPods, video games and other electronics stay home. Campers do not have access to the telephone while at camp; staff will contact you if there are any concerns and you can reach out to the camp with any questions that you have. We encourage you to send "snail mail" through the Post Office or leave pre-written letters at camp. To give families a sneak peek into camp life, your camp director makes every effort to post daily updates about camp and a variety of camp photos.

## Leadership & Staff

Camp staff include both local and international adults who have completed an application, interview, and background check process, as well as an intensive week-long training in safety and behavior management, leading activities, and child abuse prevention. Staff also receive additional training and certification in first aid & CPR, lifeguarding, archery, and high/low ropes programs as needed.
