Welcome to YMCA Camp Weona, where for over 125 years, youth have come and discovered a home away from home among our 800 acre landscape of widespread hills and forests.

At Camp Weona, children and teens can explore nature, try new activities, and bond with friends. In addition they will have fun paddling across the flatwater pond, exploring our climbing wall and zipline, and going horseback riding during their stay. Throughout their Camp Weona experience your child will develop new skills, and gain self-confidence and a greater appreciation of the outdoors.

Our campers and staff members value positive attitudes, open minds, and building a community together. So come join us for a fun adventure this summer – we look forward to seeing you at camp!

Adam Milton  
Executive Director  
YMCA Camp Weona

### Horseback Riding

We are excited to offer all of our campers the opportunity to participate in horseback riding! Campers can look forward to brushing and saddling their horse in the stable while practicing commands, leading and riding their horse around our ring, and riding through the woods exploring some of camp's scenic trails.

### Leadership & Staff

Camp staff include local and international adults who have completed an intensive week-long training in safety and behavior management, leading activities, and child abuse prevention. Specialized staff also receive additional training and certification in First Aid & CPR, lifeguarding, archery, and high/low ropes programs.

### Overnight Camp Life

Overnight camp is a special opportunity for youth to gain self confidence through a combination of group encounters. As a cabin group, campers rotate through a schedule of traditional camp activities together, make an individual choice for a Skills Track, and join the whole camp for group games, campfires, and weekly-themed fun.

### Cabin Groups

Small groups of similar age campers live together with two cabin leaders, participating in a rotation of daily activities together. Bunkmate requests can be made online at time of registration.

### Types of Camps

#### First Experience Camp

(3 days, 2 nights. Sun-Tue) For ages: 6-9

For younger campers who want a taste of camp life – this is the session for you! Enjoy swimming, archery, arts & crafts, campfires, s'mores, and time outdoors.

#### Traditional Camp

(6 days, 5 nights. Sun – Fri)

For ages: 7-14

Enjoy the full experience that camp has to offer with a bevy of camp activities- archery, crafts, outdoor nature & survival, team building and adventure, active songs and games, and time around the campfire with new and old friends.

#### Leader in Training (2 Weeks)

For ages: 14-15

For teens interested in developing skills in leadership, communication, team building, problem solving, and conflict resolution. Our leaders use these skills to aid and mentor younger campers. Participants must be available for both weeks of the program and remain at camp during the weekend stay over.

#### Counselor in Training (3 Weeks)

For ages: 15-16

For teens interested in learning & practicing the skills necessary to become a successful and responsible camp counselor. Through direct work with younger campers, CITs develop their leadership, communication, team building, problem solving, and conflict resolution skills. Participants must be available for all 3-weeks and remain at camp during the first weekend of their program.

### Family Fridays

Fridays at camp are for the whole family! Before heading home at the end of the week, join us for an outdoor meal, meet your camper's staff, or take a photo of your camper at their cabin. This is a great way for families to explore camp and hear stories from the best tour guides around – your camper!

### Staying Connected

Camp is a "tech-free" zone, which means that cell phones, smart watches, video games, and other electronic devices stay home. Written letters to the campers are encouraged. Photos and updates on camp life are also available to care-givers on social media via private social media groups.
