Child Watch is a benefit for Y family members (Family with Children or Individual Parent Family membership) who are involved in on-site programming. Children are supervised in a safe environment with games and activities to keep them happy while parents/guardians participate in Y programs or activities. Parents/guardians must stay on the premises. We recommend that babies be brought in with an infant seat.

Fun and friends await children in this supervised and safe program! Special activities are geared to keep children active and entertained while enabling parents to run errands or spend time together.
