## **INDEPENDENT AUDITOR'S REPORT**

To the Board of Trustees and the Board of Directors Young Men's Christian Association Buffalo Niagara (d/b/a YMCA Buffalo Niagara)

#### Opinion

We have audited the accompanying financial statements of Young Men's Christian Association Buffalo Niagara (d/b/a YMCA Buffalo Niagara) (the Association), which comprise the statement of financial position as of December 31, 2024, the related statements of activities and changes in net assets, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Association as of December 31, 2024, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Association and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Association's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Association's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## **Report on Summarized and Comparative Information**

We have previously audited the Association's 2023 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated April 26, 2024. In our opinion, the summarized and comparative information presented herein as of and for the year ended December 31, 2023, is consistent, in all material respects, with the audited financial statements from which it has been derived.

## **2024 NOTES TO FINANCIAL STATEMENTS** (With Comparative Financial Information For 2023)

#### Note 1. Nature of the Association and Significant Accounting Policies

#### Nature of the Association:

Young Men's Christian Association Buffalo Niagara (d/b/a YMCA Buffalo Niagara) (YMCA or the Association) is a nonprofit organization with the following mission statement:

"YMCA Buffalo Niagara is a charitable, community-based organization committed to providing programs designed to build a healthy spirit, mind and body for all."

The Association's goal is to advance its cause of strengthening the community through youth development, healthy living and social responsibility. The YMCA is a powerful association of men, women, and children committed to bringing about lasting personal and social change. With a focus on nurturing the potential of every child and teen, improving the nation's health and well-being, and providing opportunities to give back and support its neighbors, the YMCA enables youth, adults, families and communities to be healthy, confident, connected and secure.

#### Program activities:

A summary of the Association's significant program activities follows:

Youth Development – The YMCA is committed to nurturing the potential of every child and teen. The YMCA believes that all children deserve the opportunity to discover who they are and what they can achieve. That is why the YMCA helps young people cultivate the values, skills and relationships that lead to positive behaviors, better health and educational achievement. YMCA programs, such as school age child care, summer camp and preschool education, offer a range of experiences that enrich cognitive, social, physical and emotional growth.

Healthy Living – The YMCA is a leading voice on health and well-being. The YMCA brings families closer together, encourages good health and fosters connections through fitness, sports, fun and shared interests. As a result, people in the community are receiving the support, guidance and resources they need to achieve greater health in spirit, mind and body. This is particularly important as the nation struggles with an obesity crisis, families struggle with work/life balance and individuals search for personal fulfillment.

Social Responsibility – The YMCA believes in giving back and supporting its neighbors. The YMCA has been listening and responding to the community's most critical social needs. YMCA programs, such as the senior citizen center, volunteer service programs, and CPR & First Aid training, are examples of how the YMCA delivers training, resources and support that empower its neighbors to effect change, bridge gaps and overcome obstacles. The YMCA engages members, participants and volunteers in activities that strengthen the community and pave the way for future generations to thrive.

As part of the YMCA's mission, the programs are accessible, affordable and open to all faiths, backgrounds, abilities and income levels. The YMCA provides financial assistance to people who otherwise are not able to participate.

## **2024 NOTES TO FINANCIAL STATEMENTS** (With Comparative Financial Information For 2023)

#### Note 1. Nature of the Association and Significant Accounting Policies (Continued)

#### YMCA of the USA:

The Association is a member of the National Council of Young Men's Christian Associations of the United States of America. The Association is an independent autonomous organization, recognized as a member of, but separate from the National Council. The Association must meet annual certification requirements to remain a member.

A summary of the Association's significant accounting policies follows:

#### Basis of accounting:

The financial statements of the Association have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

#### Basis of presentation:

The Association records resources for accounting and reporting purposes based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net assets without donor restrictions – Net assets available for use in general operations and not subject to donor restrictions. The governing board has designated, from net assets without donor restrictions, a board-designated endowment.

Net assets with donor restrictions – Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

#### **Operating activities**:

Operating activities reflect all transactions increasing or decreasing net assets except those contributions received for long-term investment purposes, investment returns, changes in the fair value of the interest rate swap, and gains/losses from sale/disposal of property and equipment.

#### Public support:

The Association receives public support in the form of contributions through its annual campaign, special events, the United Way and other fundraising efforts. Contributions are received from individuals, foundations and corporations to support specific programming activities, capital projects, general operations, and endowments.

## **2024 NOTES TO FINANCIAL STATEMENTS** (With Comparative Financial Information For 2023)

#### Note 1. Nature of the Association and Significant Accounting Policies (Continued)

#### Public support (continued):

All contributions are considered to be available for unrestricted use unless specifically restricted by a donor. Unconditional contributions not subject to a pledge agreement with the Association are recorded as revenue when received. The Association records unconditional promises to give as contribution revenues and pledges receivable, net of an estimate for uncollectible amounts, when there is sufficient evidence in the form of verifiable documentation that an unconditional promise was received. Conditional contributions received are reported as deferred revenue. Conditional promises to give are not recognized until the conditions on which they depend are substantially met or explicitly waived by the donor.

The Association reports gifts of land, buildings and equipment at estimated fair value as support without donor restrictions unless explicit donor stipulations specify how the donated assets must be used. Absent explicit donor stipulations, the Association reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Donor restricted contributions whose restrictions are met in the same reporting period are reported as support without donor restrictions in the statement of activities and changes in net assets.

#### Revenue recognition and deferred revenue:

Membership and program service fees consist of revenues earned from providing health, fitness, education, childcare, summer camp and recreation programs to families and individuals. Certain programs are also available to the public. Membership and program service fees are specific to distinct performance obligations that are satisfied over time. Accordingly, revenue is recognized ratably on a straight-line basis in an amount that reflects the consideration the Association expects to be entitled to, net of financial assistance provided, in exchange for providing services. Financial assistance represents reductions from gross membership and program service fees for individuals that demonstrate financial need. Financial assistance is estimated in the same period the revenue is recognized based on the amount an individual is most likely to receive in accordance with the terms of the financial assistance. Membership and program service fees are generally due in advance of the membership or program service period and are reported as deferred revenue until the membership or program service period occurs.

Contracts with governmental agencies consist of revenues earned from providing education, recreation and child care programs primarily to school districts. Contracts with governmental agencies are recognized as revenue over time as the distinct performance obligations are satisfied, which is generally as related expenditures are incurred over the service period. Advances from governmental agencies are reported as deferred revenue until the performance obligations are satisfied.

Revenues may be affected by consumer recreation and fitness trends as well as general economic conditions. There is generally not an extension of credit and, therefore, no financing component to revenue transactions.

## **2024 NOTES TO FINANCIAL STATEMENTS** (With Comparative Financial Information For 2023)

#### Note 1. Nature of the Association and Significant Accounting Policies (Continued)

#### Donated services:

The Association receives services from a large number of volunteers who give significant amounts of their time to the programs of the Association. No amounts have been reflected for these types of donated services, as there is no objective basis available to measure their value.

#### Cash, cash equivalents and cash designated for capital expenditure:

The Association reports all cash accounts, except amounts designated for capital expenditure, as cash and cash equivalents on the accompanying statement of financial position. The Association maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. The Association has not experienced any losses in such accounts and believes it is not exposed to any significant risk with respect to its cash balances.

The following table provides a reconciliation of cash and cash equivalents and cash designated for capital expenditure reported on the statement of financial position to the statement of cash flows:

	2024	2023
Cash and cash equivalents Cash designated for capital expenditure	\$ 1,023,909 3,658,686	\$ 2,729,478 3,578,637
	\$ 4,682,595	\$ 6,308,115

#### Receivables:

Receivables include amounts for trade accounts, fundraising pledges, and investment income. The allowance for expected credit losses represents the Association's best estimate of the amount of probable credit losses within trade receivables and is based upon economic conditions, the number of days that receivables are past due, historical loss patterns, an evaluation of the potential risk of loss associated with specific accounts, and reasonable and supportable forecasts about future conditions, when applicable. Account balances are charged against the allowance after all means of collection have been exhausted and the potential for recovery is considered remote. The provisions for allowances for credit losses are recorded in miscellaneous expense. Recoveries of receivables previously written off are recorded when received. Due to the short-term nature of most receivables, the Association uses the aging method to estimate its expected credit losses. The Association maintains an allowance for expected credit losses on trade receivables in the amount of \$7,519 and \$18,743 at December 31, 2024 and 2023, respectively.

For non-trade receivables, the Association maintains an allowance for doubtful accounts utilizing an incurred loss model. The allowance for doubtful non-trade receivables was \$38,796 and \$42,783 at December 31, 2024 and 2023, respectively.

## **2024 NOTES TO FINANCIAL STATEMENTS** (With Comparative Financial Information For 2023)

#### Note 1. Nature of the Association and Significant Accounting Policies (Continued)

#### Investments:

The Association has investments in debt, marketable equity securities and money market funds. Investments are reported at fair value, with realized and unrealized holding gains and losses reported in the statement of activities and changes in net assets. Interest on debt securities and money market funds is recognized in income as earned, and dividends on marketable equity securities are recognized in income when declared. Realized gains and losses are determined on the basis of the specific securities sold.

#### Beneficial interest in trusts:

The Association recognizes its beneficial interest in a trust as a contribution in the period in which it receives notice that the trust agreement conveys an unconditional right to receive benefits. The Association is an income beneficiary under the trusts, the corpus of which is not controlled by the Association. Although the Association has no control over the administration of the investment of the trusts' assets, the fair value of the Association's beneficial interest is recognized in the statement of financial position. The Association values the beneficial interest in trusts based upon the Association's interest in the underlying assets of the trusts reported at fair value by the trustees.

#### Leases:

The Association determines if an arrangement is or contains a lease at inception, which is the date on which the terms of the contract are agreed to, and the agreement creates enforceable rights and obligations. A contract is or contains a lease when (i) explicitly or implicitly identified assets have been deployed in the contract and (ii) the Association obtains substantially all of the economic benefits from the use of that underlying asset and directs how and for what purpose the asset is used during the term of the contract. The Association also considers whether its service arrangements include the right to control the use of an asset.

The Association recognizes most leases on its statement of financial position as a right-of-use (ROU) asset representing the right to use an underlying asset and a lease liability representing the obligation to make lease payments over the lease term, measured on a discounted basis. Leases are classified as either finance leases or operating leases based on certain criteria. Classification of the lease affects the pattern of expense recognition in the statement of activities and changes in net assets.

For leases with a term greater than 12 months, ROU assets and lease liabilities are measured based on the present value of future lease payments over the lease term at the commencement date of the lease. The ROU assets also include any initial direct costs incurred and lease payments made at or before the commencement date and are reduced by any lease incentives received. To determine the present value of lease payments, the Association uses the implicit discount rate when readily determinable, otherwise it applies an incremental borrowing rate comparable to the lease term. ROU assets and lease liabilities also consist of any prepaid lease payments and deferred rent liabilities. The lease terms used to calculate ROU assets and lease liabilities include options to extend the lease or purchase the underlying asset when it is reasonably certain that the Association will exercise those options.

## **2024 NOTES TO FINANCIAL STATEMENTS** (With Comparative Financial Information For 2023)

#### Note 1. Nature of the Association and Significant Accounting Policies (Continued)

#### Leases (continued):

Amortization of ROU assets pursuant to operating lease arrangements is recorded as rental expense over the lease term.

#### Property and equipment:

Property and equipment are stated at cost. The Association capitalizes items that are over \$5,000 and provide future value. Depreciation is computed on the straight-line basis over the following estimated useful lives:

	Years
Buildings and improvements	5 - 40
Equipment	3 - 20

Expenditures for maintenance and repairs are charged to expense as incurred.

The carrying value of the Association's long-lived assets is periodically reviewed to determine if facts or circumstances suggest that the assets may be impaired or that the remaining useful, depreciable lives may need to be changed. The Association considers internal and external factors related to each asset, including future asset utilization and business climate. If these factors and the projected undiscounted cash flows of the asset over its remaining life indicate that the asset will not be recoverable, the carrying value will be adjusted down to the estimated fair value if less than book value.

#### Interest rate swap:

The interest rate swap is recorded in the statement of financial position at its fair value. Changes in fair value are recorded in the statement of activities and changes in net assets.

#### Deferred financing costs:

Financing costs related to debt instruments are deferred and presented in the statement of financial position as a direct reduction from the carrying amount of the related debt. Amortization of deferred financing costs is presented as a component of interest expense.

## Deferred naming rights revenue:

In 2011, the Association received a \$2,000,000 conditional sponsorship for naming rights of the Independent Health Family Branch YMCA. Sponsorship revenue of \$1,400,000 was contingent on the construction of the facility and \$600,000 was contingent on the facility remaining open for ten years. The YMCA recognized \$1,400,000 as revenue in 2013 when the building was placed in service. The balance of \$600,000 remained in the accompanying statement of financial position as deferred naming rights revenue until the final condition was resolved, which occurred in 2023. Deferred naming rights revenue of \$600,000 is recorded in the non-operating activities section of the accompanying statement of activities and changes in net assets for the year ended December 31, 2023.

## **2024 NOTES TO FINANCIAL STATEMENTS** (With Comparative Financial Information For 2023)

#### Note 1. Nature of the Association and Significant Accounting Policies (Continued)

#### Endowments:

The Association's endowments consist of donor-restricted and board-designated endowment funds. The donor-restricted endowment is established through donor-restricted contributions. The Board of Trustees of the Association has set aside funds through unrestricted donor contributions representing a portion of the Association's net assets without donor restrictions in a board-designated endowment.

The New York Prudent Management of Institutional Funds Act (NYPMIFA or the Act), New York's version of the Uniform Prudent Management of Institutional Funds Act, governs the management and investment of funds held by not-for-profit corporations and other institutions. The Association has interpreted the Act as requiring the preservation of the fair value of the original gift as of the gift date of donor-restricted endowment funds which is prudent, absent explicit donor stipulations to the contrary. As a result of this interpretation, the Association retains in perpetuity (a) the original value of gifts donated to the endowment, (b) the original value of subsequent gifts to the endowment, and (c) accumulations to the endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not retained in perpetuity is classified as net assets with donor restrictions until those amounts are appropriated for expenditure by the Association in a manner consistent with the standards of prudence prescribed by NYPMIFA.

When making a determination to appropriate or accumulate donor-restricted endowment funds, the Association considers the following: the duration and preservation of the endowment fund; the purposes of the donor-restricted endowment fund; general economic conditions; the possible effect of inflation and deflation; the expected total return from income and the appreciation of investments; other resources of the Association; where appropriate and circumstances would otherwise warrant, alternatives to expenditure of the endowment fund, giving due consideration to the effect that such alternatives may have on the Association; and the investment policies of the Association.

From time-to-time the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or relevant law requires the Association to retain as a fund of perpetual duration. In accordance with generally accepted accounting principles, deficiencies of this nature would be reported in net assets with donor restrictions. The reporting of such deficiencies as a reduction of Association-controlled net assets with donor restrictions does not legally create an affirmative obligation of the Association to restore the fair value of those funds from net assets without donor restrictions.

The Association, under the direction of the Board of Trustees, has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to the Association while seeking to maintain the purchasing power of the endowment assets after considering the effects of inflation. Under these policies, endowment assets are invested in a manner that is intended to achieve returns, net of fees, in excess of a relevant balanced benchmark, as defined by the target asset allocation, while assuming a moderate level of investment risk.

## **2024 NOTES TO FINANCIAL STATEMENTS** (With Comparative Financial Information For 2023)

#### Note 1. Nature of the Association and Significant Accounting Policies (Continued)

#### Endowments (continued):

To satisfy its long-term rate-of-return objectives, the Association relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Association targets a diversified asset allocation that places a greater emphasis on equity-based and fixed income investments to achieve its long-term return objectives within prudent risk constraints.

The Board of Trustees will review the fund's performance at least annually and will appropriate for distribution an amount it feels is appropriate. Annual endowment fund spending is expected to be no more than 5% of the average market value for the last twenty quarters, unless modified and approved by a majority of the Board of Trustees. All endowment expenditures will be made in accordance with any donor restrictions or board designations.

#### Income taxes:

The Association has received a favorable determination letter from the Internal Revenue Service (IRS) stating that it is exempt from federal income taxes under Section 501(a) of the Internal Revenue Code (IRC) of 1986, as an organization described in Section 501(c)(3), except for income taxes pertaining to unrelated business income.

The Financial Accounting Standards Board (FASB) guidance requires tax effects from uncertain tax positions to be recognized in the financial statements only if the position is more likely than not to be sustained if the position were to be challenged by a taxing authority. Management has determined that there are no material uncertain positions that require recognition in the financial statements. Accordingly, no provision for uncertain income tax positions is reflected in these financial statements. Interest and penalties would be recognized as tax expense; however, there are no interest or penalties recognized. The tax years after 2020 are still open to audit for both federal and state purposes.

#### Functional allocation of expenses:

The financial statements report certain categories of expenses that are attributable to one or more programs or supporting function of the Association. Those expenses include personnel, occupancy, finance costs and depreciation. Expenses are allocated to the program or supporting functions based on the revenue produced by each program or function.

#### <u>Use of estimates</u>:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

## **2024 NOTES TO FINANCIAL STATEMENTS** (With Comparative Financial Information For 2023)

#### Note 1. Nature of the Association and Significant Accounting Policies (Continued)

#### Summarized comparative financial information:

The statements of activities and changes in net assets and functional expenses include prior year summarized comparative financial information. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP). Accordingly, such information should be read in conjunction with the Association's financial statements for the year ended December 31, 2023, from which the summarized information was derived.

#### Subsequent events:

Management has evaluated subsequent events through May 5, 2025, which is the date the financial statements were available to be issued.

## Note 2. Liquidity Management

The Association regularly monitors liquidity required to meet its annual operating needs and other contractual commitments while also striving to maximize the return on board-designated endowment investments not required for annual operations. The Association had financial assets consisting of cash, cash equivalents and certain receivables amounting to \$1,690,463 and \$3,456,674 at December 31, 2024 and 2023, respectively, to meet annual operating needs for the following fiscal year. The Association has additional sources of liquidity available, including a revolving credit facility (Note 8) and board-designated endowment investments (Note 12), which are subject to appropriation by the Board of Trustees. The Association's revenue bonds (Note 9) require the Association to maintain a minimum of \$6,500,000 of cash and investments not subject to donor restrictions.

#### Note 3. Receivables

The Association invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risks associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the financial position of the Association.

#### Note 6. Fair Value Measurements

U.S. GAAP establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority level to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

## **2024 NOTES TO FINANCIAL STATEMENTS** (With Comparative Financial Information For 2023)

#### Note 6. Fair Value Measurements (Continued)

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Association has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Association's assets and liabilities measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023:

*Common stocks*: Valued at the daily closing price as reported on public exchanges.

*Bonds*: Valued at approximate fair value as determined by a service provider to the bond custodian using a pricing model.

*Mutual funds:* Mutual funds, except for money market mutual funds, are valued at the daily closing price as reported by the fund. Mutual funds owned by the Association are open-end funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The Association deems funds owned by them to be actively traded.

*Exchange traded funds:* Exchange traded funds (ETFs) are traded at quoted prices throughout the day and valued at the end of the day at NAV as determined by the fund based upon the fair value of the underlying investments held by the fund less its liabilities. The ETFs are registered with the SEC and are deemed to be actively traded.

*Money market funds:* Money market funds generally transact at \$1.00 NAV as reported by the fund and is based on the amortized cost of the underlying securities of the fund. The \$1.00 NAV is considered to be the price to sell the money market fund and its estimated fair value. The Association's investments in money market funds have a daily redemption frequency. There are no required redemption notice periods and there are no unfunded commitments at December 31, 2024 and 2023.

## **2024 NOTES TO FINANCIAL STATEMENTS** (With Comparative Financial Information For 2023)

#### Note 6. Fair Value Measurements (Continued)

*Beneficial interest in trusts:* Valued based upon the Association's interest in the fair value of the underlying trust assets as reported by the trustees. The underlying assets of the trusts are primarily invested in equity securities and mutual funds that are valued daily on public exchanges.

Interest rate swaps: Valued by the issuing financial institution using a proprietary market-based model.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Association believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

In the normal course of business, various legal actions and claims are asserted against the Association.

The Association is a defendant in a claim, and prior to 2024 was a defendant in two claims, relating to incidents alleged to have occurred from the 1950's through 1990's. For the open claim, the Association is actively defending the claim in court. The Association has not concluded that a loss is probable and is unable to reasonably estimate the ultimate effect of an adverse decision resulting from the claim on its financial position, results of operations or cash flow. The Association reached settlement agreements for the two other claims in 2024. The Association recorded an accrued loss contingency of \$1,475,000 related to these two claims in 2023, which approximated the 2024 settlement amount.

## Note 18. Government Assistance – Coronavirus Pandemic

The Employee Retention Credit (ERC) was established in response to the economic adversity caused by the Coronavirus Pandemic to encourage businesses to keep employees on their payroll. Employers who met certain eligibility requirements could apply for the ERC, which is a refundable payroll tax credit issued by the IRS. The Association determined it was eligible for the ERC related to the first three calendar quarters of 2021 payroll and filed amended payroll tax forms, resulting in an amount receivable to the Association of \$2,817,092 at December 31, 2022. The Association recorded the ERC in non-operating activities in the statement of activities and changes in net assets for the year ended December 31, 2022. The Association received payment of the ERC in 2023. The ERC may be subject to audit by the IRS.

THE FINANCIAL ACCOUNTING STANDARDS BOARD GUIDANCE REQUIRES TAX EFFECTS FROM UNCERTAIN TAX POSITIONS TO BE RECOGNIZED IN THE FINANCIAL STATEMENTS ONLY IF THE POSITION IS MORE LIKELY THAN NOT TO BE SUSTAINED IF THE POSITION WERE TO BE CHALLENGED BY A TAXING AUTHORITY. MANAGEMENT HAS DETERMINED THAT THERE ARE NO MATERIAL UNCERTAIN POSITIONS THAT REQUIRE RECOGNITION IN THE FINANCIAL STATEMENTS. ADDITIONALLY, NO PROVISION FOR INCOME TAXES IS REFLECTED IN THESE FINANCIAL STATEMENTS. INTEREST AND PENALTIES WOULD BE RECOGNIZED AS TAX EXPENSE, HOWEVER, THERE IS NO INTEREST OR PENALTIES RECOGNIZED IN THE STATEMENT OF ACTIVITIES AND CHANGES IN NET ASSETS. THE TAX YEARS AFTER 2020 ARE STILL OPEN TO AUDIT FOR BOTH FEDERAL AND STATE PURPOSES.

PRIORITY OF T	HE YMCA MOVEMENT.	

IN 2024, YMCA BUFFALO NIAGARA PROVIDED \$1,153,829 IN DIRECT FINANCIAL ASSISTANCE TO ENABLE INDIVIDUALS AND FAMILIES TO PARTICIPATE IN YMCA PROGRAMS AND SERVICES WHO OTHERWISE COULD NOT AFFORD TO DO SO. 33% OF THESE AWARDS WERE PROVIDED TO FAMILIES NEEDING CHILD CARE FOR THEIR SCHOOL AGE CHILDREN. THESE CHILDREN WERE ABLE TO ATTEND YMCA BEFORE AND AFTER SCHOOL PROGRAMS OR YMCA SUMMER CAMP BECAUSE OF THE GENEROSITY OF YMCA DONORS. ANOTHER 65% WAS AWARDED SO THAT INDIVIDUALS AND FAMILIES COULD ENJOY THE BENEFITS OF YMCA MEMBERSHIP AND THE REMAINING 2% WAS AWARDED FOR OTHER PROGRAMS SUCH AS SWIM LESSONS OR YOUTH SPORTS.

FINANCIAL ASSISTANCE IS MADE POSSIBLE THROUGH THE GENEROSITY OF THE COMMUNITY, PEOPLE HELPING PEOPLE. TO ENSURE THE RESOURCES ARE AVAILABLE FOR THOSE IN NEED, YMCA BUFFALO NIAGARA CONDUCTS AN ANNUAL CAMPAIGN. \$543,169 WAS RAISED IN 2024 THROUGH THE ANNUAL CAMPAIGN TO MAKE SURE THAT YMCA SERVICES ARE AFFORDABLE TO ALL.

IN ADDITION, SCHOLARSHIP FUNDS ARE ALSO RAISED FROM SPECIAL EVENTS SUCH AS THE ANNUAL THANKSGIVING DAY TURKEY TROT. THE 129TH ANNUAL TURKEY TROT, THE LONGEST CONSECUTIVELY RUN FOOT RACE IN NORTH AMERICA, EVENT PROVIDED OVER \$418,000 TO UNDERWRITE URBAN PROGRAMS AND PROVIDE FINANCIAL ASSISTANCE TO CHILDREN AND FAMILIES.

IN ADDITION TO THESE ANNUAL FUND RAISING ACTIVITIES, YMCA BUFFALO NIAGARA IS WORKING TO ENSURE THE AVAILABILITY OF RESOURCES TO FULFILL ITS MISSION IN THE FUTURE THROUGH THE ESTABLISHMENT OF ITS "HERITAGE SOCIETY." THIS INITIATIVE IS COMPRISED OF INDIVIDUALS WHO HAVE SHOWN THEIR COMMITMENT TO THE MISSION OF THE YMCA BY MAKING AN OUTRIGHT OR PLANNED GIFT TO THE YMCA'S ENDOWMENT FUND. BY CONTRIBUTING TO THE YMCA'S ENDOWMENT FUND, THESE INDIVIDUALS ARE ENSURING THAT FUTURE GENERATIONS WILL BE ABLE TO BENEFIT FROM YMCA PROGRAMS AND SERVICES.

"WE'RE FOR YOUTH DEVELOPMENT, HEALTHY LIVING AND SOCIAL RESPONSIBILITY."

FORM 990, PART III, LINE 4A YOUTH DEVELOPMENT

OUR YMCA IS COMMITTED TO NURTURING THE POTENTIAL OF EVERY CHILD AND TEEN. WE BELIEVE THAT ALL KIDS DESERVE THE OPPORTUNITY TO DISCOVER WHO THEY ARE AND WHAT THEY CAN ACHIEVE. THAT IS WHY WE HELP YOUNG PEOPLE CULTIVATE THE VALUES, SKILLS AND RELATIONSHIPS THAT LEAD TO POSITIVE BEHAVIORS, BETTER HEALTH AND EDUCATIONAL ACHIEVEMENT. OUR YMCA PROGRAMS, SUCH AS SCHOOL AGE CHILD CARE, SUMMER CAMP AND PRESCHOOL EDUCATION, OFFER A RANGE OF EXPERIENCES THAT ENRICH COGNITIVE, SOCIAL, PHYSICAL AND EMOTIONAL GROWTH. THE YMCA IS COMMITTED TO IMPROVING AMERICA'S HEALTH, COMMUNITY BY COMMUNITY. AS A RESULT, OVER 48,000 PEOPLE IN OUR COMMUNITY ARE RECEIVING THE SUPPORT, GUIDANCE AND RESOURCES THEY NEED TO ACHIEVE GREATER HEALTH IN SPIRIT, MIND AND BODY.
