CAMPER MEDICATION FORM

Both sides of this form must be completed and signed by a licenced medical provider (MD, PA, or NP). One form is required for every registered camper.

As Needed Over-the-Counter Medication Permission

Overnight camps carry a small stock of typical over-the-counter medications that may be administered during the camper's stay, but only with a medical provider's written approval and signature. Stock medications include: FDA-approved sunscreen, insect repellent, Vaseline, triple-antibiotic ointment (generic for Neosporin), ibuprofen (generic for Advil), acetaminophen (generic for Tylenol), diphenhydramine (generic for Benadryl), hydrocortisone .05%, calamine lotion, aloe as sunburn relief, and saline solution.

<input type="checkbox"/> YES	Yes, I give approval for the above-named over-the-counter medications to be provided in reasonable dosages per direction on the original container for age and weight by designated YMCA camp staff.
<input type="checkbox"/> YES with exceptions	WITH EXCEPTIONS, I give approval for the above-named over-the-counter medications to be provided in reasonable dosages per direction on the original container for age and weight by designated YMCA camp staff, except for the following which may NOT be given: _____ _____
<input type="checkbox"/> NO	No, the above named over the counter medications may not be provided to this camper. (Medical provider signature still required)

Prescription and Routine Medication Permission

If a camper requires prescription and/or routine medication while at camp, the prescribing licensed medical provider must complete and sign the following section. These medications must be brought to camp by parent/guardian, in their original package or prescription bottle, with below signed orders. Medication will be administered at camp by qualified staff based on this written order and signature. You may use the reverse side for additional medicines or instructions.
